Re: Removal of Wage Cap

The Idaho Transportation Department has evaluated the maximum hourly wage rate that is currently in effect for all agreements. That wage cap is being removed, effective December 1, 2010.

This change is not retroactive and will only apply to work performed after December 1, 2010. All other provisions of existing agreements shall remain in place. The not-to-exceed amount will not increase due to this change.

Please contact Leo Hickman, CAU Project Manager at leo.hickman@itd.idaho.gov or (208) 334-8493 if you have any questions regarding this matter.

Sincerely,
